# St. Brendan School Family Newsletter

*Our mission is to teach and live the doctrines of the Catholic faith and Christian values in our home, school, and community, while working toward the global establishment of God's Kingdom, through excellence in education.*

## Welcome

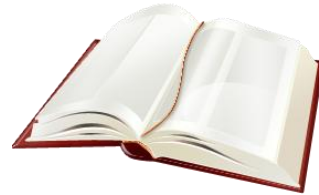

We have been busy at St. Brendan School this summer! We have a brand new looking gym. Thank you especially to Mr. Davidson and the Orrs for painting the walls. It looks very nice. The whole outside of the building has been tuck-pointed so that we don't have moisture in our walls. We also have new cameras around the entrances to the school for better security.

### Open House

Open house was a huge success!!!! A special thanks to the Home and School officers for organizing the day. If you did not get a chance to sign up for Home and School you may always stop by the school office and do so. Dues are \$5.00 per family. Any new family that was unable to attend or if you were there but forgot to pick up your handbook will need to stop by the office to pick that up.

### New Staff

We have one new staff member this year. Mrs. Green will be our new music teacher. She is a retired music teacher from Mexico Public Schools. She is a wonderful asset to the school and I hope you will take the chance to welcome her into our school family

### Handouts

In today's envelope are several important papers that need to be filled out and returned as soon as possible to the school office.

### Kids Club

Kids Club will start tomorrow. If you would like to enroll your child please fill out the form in today's packet and send the money in tomorrow.

### A-la Carte for 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup>

We are going to do a-la carte a bit different this year yet again. Instead of having the children bring in their money in a lump sum at the beginning of the week they will purchase a punch card good for 20 a-la-carte items. They are to keep the card with them and will be responsible for the care of the card. The card will cost \$15. Each time they use the card it will be punched. When they use up their 20 they would just need to purchase a new card. They will purchase the cards at the office in the morning before school. I have explained it to the students as well so ask them about it or feel free to call the school office.
